Can I keep editing comment when I explore
other things on my computer please...?

Resolved

But now what if user forgets to save...?

Ipranam

Wed, Apr 10, 2024

Let's try to autosave comments?

Autosaved

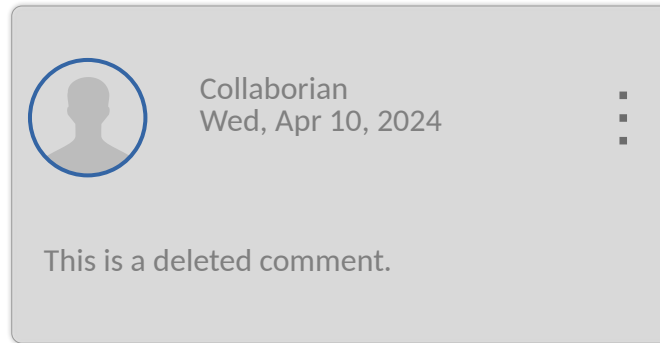

I think I need to revamp comment
autosave...

Cancel

Save

Tracked Changes

Other improvements

- Resolved comments count in thread based on visibility
- Improved undo/redo with tracked comments
- Tracked comments now can be hidden based on if tracked changes are shown or not
- Tracked comments count based on visibility
- Accept/Reject all changes are reflected on comments too
- On comment insertion scroll to make entire comment visible beyond document too
- Better comment positioning with zoom or scaled display
- Bug fixes...
