A screenshot of a Microsoft Word document titled "Sailing yacht". The document contains text about sailing yachts, a photograph of a sailboat, and a section on the history of sailing. Three users are shown editing the document simultaneously: THOMAS is editing the text in the middle section; YOU is editing the top right corner; and ANNE is editing the bottom right corner. The Microsoft Word ribbon is visible at the top, showing various tabs like Home, Insert, Layout, References, Review, and View.

An amazing amount of
work over a year.
